I view my vet as the authority and will do whatever he/she suggests. Yes No

At Doodle Around, we believe it is important to vaccinate dogs and puppies, but it is also important not to overvaccinate.

I am open to learning about vaccines. Yes No

I will give every wormer and vaccine my vet suggests at the time he/she suggests it.

Yes No

I will give non-core vaccines at least two weeks before/after core vaccines, if the vaccine is for something my dog is at risk for in my area. Yes No

I will follow the manufacturer's recommendations for age of first vaccine, but never within 2 weeks of any core vaccine. Yes No

I will titer test my dogs yearly for parvovirus and distemper to avoid giving unnecessary vaccines. Yes No

We base our allocations first and foremost on personality, as we truly believe that if your dog's temperament is a match, you and your pet will be much happier. Curl, coloring, and size can change. We cannot guarantee your pick of gender or color, but we will try to accommodate your preferences if it is also a good personality match. Since we sell on a strict spay/neuter/sterilize contract, gender is less of a factor. Allocations will occur only after temperament testing, near 8 weeks of age, as more accurate testing is expected with older puppies. I understand and agree with your allocation protocol: Yes No
